“ I remember when Gus and Ras used to chase me with grasshoppers when they were little and we lived on Kedron Street. Of course I'd run like a girl. That thought it was funny and so do I now. :-) They were a pain, but I was crazy about them both. Your family is in my thoughts and prayers. May God bless and keep you in your time of sorrow.

“ Such a waste of a young life. I remember when Gus and Ras used to chase me with grasshoppers when they were little and we lived on Kedron Street. Of course I'd run like a girl. :-) Your family's in my thoughts and prayers. May God bless you and keep you in your time of sorrow.
