“ *I only worked with Mr. Early a few times at The Magic Lantern in Pittsburgh, but those were some of the highlights of our productions. Whether he was providing the voice-over to a video for a museum or playing a character in an industrial safety film, his patience, talent, and professionalism were an example to us all. Top that off with just being an all-round good guy, and it's obvious why those of us who worked with Dave will never forget him. Thanks, man!*

“ *I want to express my sorrow over the loss of your loved one. Losing a loved one is something we all wish we never had to go through. Thankfully, within his word the Bible, God promises us that soon "death will be no more". He also gives us the hope of seeing our loved ones who have already fallen asleep in death (Revelation 21:3-4, John 5:28,29). Again I am extending my sincere condolences to the family.*

*My late mother, Patricia Alston, shared many fond memories of David when they were children growing up. I have only met David a few times but I am sending my condolences on behalf of my late mother and Grandmother who were David's first cousin and aunt, respectively.*

*To his children and family let say from experience that death is hard on the people left behind but if you ask, God will help you to get through the days and weeks ahead. As for David,*

*2 Timothy 4.17- 7, reminds us that David "fought a good fight, he finished his course, he kept his faith" and now he can rest. in peace.*

*May God bless and keep you all,*

*Cousin Debbie Moore, Midlothian, Virginia*
