“ I've always thought of Mr. Huff as a classic gentleman in every sense of the word. A man of few words yet his conduct spoke volumes. I remember him as a loyal husband who believed in God's command "until death do we part". When you saw Mr. Huff you would see Mrs. Huff. For years I would see him at the local grocery store in his always shiny clean car. He took his wife grocery shopping regularly. A job most men may dread but he seemed to enjoy. He was never too busy to stop and say hello. Always pleasant always kind. I admire him as a respected and dignified man who loved his family. May his life serve as an example for our younger generation of men today.

“ Will miss my honorary Dad. I was so happy that I was able to spend some good times with him in some of his last years in Michigan. He always treated me like I was just another one of his daughters. I will always remember his smiling face. To the family - Keep your eyes focused on Jesus and you will see Papa Huff again someday soon. May you find comfort and safety in His arms. Much love, Mary (Young) Dantzler
