“Rex will be missed! Daria, while we do not know you well, we do know you are a strong woman of faith and an amazing Mother to your two precious boys, Rex will always be looking out for his family, even in heaven, how could he not? We could see his devotion to you all and that will not end, because his body may be still on earth, but his spirit jumps for joy in his healthy body in heaven!!! He is well and finally able to have true freedom and with that, everyday, whether he can be seen, right next to you is where he will always be. He will never leave you, he will never leave your boys, just as God, our father never leaves us!!! Rex loves you and your boys with all his heart and that will never change! Even in heaven, his love will always be felt and when you are reunited, he will tell of how he was with you all of your days. Being to heaven and back, I know the power of God and his infinite love for us and this is the same love Rex shares for you and that remains always, so don't forget to look up and remember, you are never alone! You and your boys ARE loved!!!

God Bless,

Lisa, Eddie, Brandon, Justin and Leah Buckingham

“Please accept my condolences on the loss of your dear loved one. Take comfort in knowing that our heavenly Creator will soon remove all pain, sorrow, and death forever! May this promise as found in Revelation 21:3,4 be of comfort to you as you gain the strength and inner peace to cope with the days ahead.
