“ Uncle Ronnie I will miss your laugh. I miss you calling to make sure that I have your fried chicken when you come to town. Words cannot express how we feel losing you so sudden. I will think of you every time I fry chicken. I can hear you now ask my favorite niece is she going to fry my chicken. Love you and will miss you dearly.

“ To Know Ron through the eyes of my personal experience, is how I'm reminded of meeting Ron at 951 Penn Avenue, and the demands he put on himself to show up to simply keep the doors open to many of us in need, of a place of refuge.

Ron, truly was the smile that you needed to see, the hug that you needed to have on any given day, and the belief that you just knew, Ron had in each person he meet and knew without judgement.

I will keep in my tool box Ron's caring and sharing ways towards others as he did it his Way.
